Helping Challenge

Read each statement beginning. Draw a line from the statement beginning to the picture that shows the best ending.

If someone in church is sad, I could ...

gather bottles of clean water to send.

If someone in church needed a Bible, I could ...

smile.

If someone in the church was in a disaster, I could ...

pray.

Something I can do for anyone in my church is ...

get permission to look for an extra Bible at home and give it away.

How can you and your church help Christians around the world?

The Antioch Church Helped

ACTS 11:19-30

Many believers in Jesus moved away from Jerusalem. Some moved far away. They began to tell their new friends and neighbors about Jesus, but they only told people who were Jews about Jesus.

Some of Jesus' believers began to tell Gentiles about Jesus. The people weren't Jews, but they believed in Jesus!

Believers in Jerusalem heard that Gentiles were believing in Jesus. They sent Barnabas to go to Antioch.

Barnabas was glad to see many Gentile believers. He encouraged them to keep believing. Many more people began to believe in Jesus.

Barnabas found Saul. He brought Saul back to Antioch. For a year, they met with the believers and helped them know more about God.

The disciples were first called *Christians* at Antioch. When the Christians in Antioch heard that other believers would not have food, they sent help to them.

THE BIBLE MEETS LIFE

Parents, today your child heard that the church helps fellow Christians. The church in Antioch sent food to help the Jerusalem church during a time of famine. What are some ways your church reaches out to other Christians?

LIVE IT OUT

Involve your child in a church project that helps people. Working in a food pantry, distributing food to those in need, or doing yard work for a senior adult are jobs in which your child could participate.

LEVEL OF BIBLICAL LEARNING

The church meets the needs of people.
